

Gingerbread House construction Online ideas, instructions and hints

You can make your Gingerbread House *from scratch*, *or from graham crackers*, *or from a "kit."* Supplies are available from Shop Rite Little Falls and other local stores, as well as online! Just remember to give yourself *at least 2 days* to enjoy the project – from start to finish!

We have many “cookbooks” about making Gingerbread Houses at the Little Falls Public Library, and other PALS Plus libraries do too! www.littlefallslibrary.org

Here are some websites to use for inspiration and instructions:

Gingerbread Houses, “from scratch”:
